Summary

As a strategic and creative Brand & Social Media Consultant with 4+ years of experience, I help clients across industries grow by managing and shaping their social media presence end-to-end. From developing content strategies and managing platforms to building brand identity and engaging communities, I focus on creating meaningful connections that drive growth. I thrive on turning ideas into impact and am passionate about helping brands tell authentic stories that resonate with their audiences.

Experience

Social Media Manager, 06/2021 - Current

Ishita Aggarwal- Web Usability Consultancy, Social Media Marketing For Luxury Brands, New Delhi, India

- Consult brands on social media positioning, content direction, and platform strategy based on audience and business goals
- Define content frameworks, posting structures, and platform-specific formats to guide consistent publishing
- Oversee end-to-end content planning and rollout, ensuring quality, clarity, and brand alignment
- Direct and supervise product and brand shoots, translating strategy into visual storytelling for social and web
